

# Healthy Living with Diabetes

## An Online Workshop

"I learned so much! Connecting was easy, the leaders were so friendly and helpful, and I got to know others who are dealing with the same things I am."

Healthy Living with Diabetes participants have a **53% reduction in emergency department visits.**

### What is Healthy Living with Diabetes?

Healthy Living with Diabetes is an evidence-based program for adults who have type 2 diabetes, pre-diabetes, or live with someone who does.

### How does it work?

Simply follow the registration instructions below and we'll provide you with access to the sessions, contact you to make sure you are able to join, and help during the workshop if you have any problems.

### Join us ONLINE for the next workshop!
